MISSION

Bridgeways strives to provide mental health services that promote quality-of-life satisfaction for individuals who live with chronic mental illness. We do this in a manner that facilitates growth, independence, and a sense of community for each person we serve.

...community connections for success

Established in 1981,
Bridgeways is a private
non-profit agency licensed
and certified by DSHS to
serve adults in Snohomish
County with severe and
persistent mental illness.

Bridgeways interest in MPDC

- Develop our understanding of the composites area
- Train our employees to gain the needed skill sets
- Understand the tooling and equipment requirements
- To be able to market our capabilities in order to meet the demand from new or existing manufactures in the area.

bridgeways

...community connections for success

Bridgeways interest in MPDC

- Introduction to potential Bridgeways Advisory Board members
- Referral to potential customers
